1. EXECUTIVE SUMMARY

WHO WE ARE

Our company

BlueOcean Gaming is a B2B online casino software provider with more than 10 years of experience in the online gaming industry. Our mission is to offer quality software solutions for online casino operators, stimulate their business and consequently their growth. With a time-saving and reliable all-in-one casino platform combined with our team expertise we meet our client needs and achieve remarkable results together.

WHAT WE DO

Our solutions

Our lead product is GameHub, a game aggregation platform, which allows casino operators to quickly launch more than 110 casino game providers with one API integration and a single contract. Other products we develop include White Label and Turnkey solution which both provide clients with a complete suite of products and services required to start their own online casino.

WHAT MAKES US GREAT

Our qualities

With more than 100 satisfied clients who benefit from our solutions, we are driven by knowledge, hard work, and commitment to deliver quality software and a set of additional features which make our client's business run smoothly.

2. SOLUTION BENEFITS

GameHub solution is a quick and easy way to take your existing online casino business one step further. It combines an all-in-one casino games API solution filled with an extensive choice of leading game providers and convenient time-saving tools.

110+ game providers,
10.000+ games

Single API integration &
one contract

Plug & Play concept

Automated game
catalogue

Complimentary 24/7
operator support

FreeRound API

Game History API

Unified Jackpot Feed API

Getting started is easy, fast and convenient!

1

SEAL THE DEAL

After agreeing on the offer, we will provide you with a draft agreement.

2

INTEGRATE API

Our technical team will provide detailed documentation covering exactly how to integrate our API and constant support throughout the integration.

3

GO LIVE

After successful integration we will provide live credentials and your dedicated account manager will explain all you need to know to start the work.

4

GROW YOUR BUSINESS

With our amazing gaming content, daily new game releases, various promotions, and a set of useful tools you will be all set to grow your business.

3. OUR PARTNERS

We work with leading casino software providers; across all our gaming solutions you can get **more than 6000 online casino games from more than 110 game providers.**

5. TERMS & CONDITIONS

5.1 CASINO CONTENT

5.1.1 Game providers license requirement

* In order to obtain the following providers operator must present a valid gaming license, which should also be visible on the URL where games are live:

5.1.2 Game providers license requirement and Due Diligence

** In order to obtain the following providers operator must present a valid gaming license, which should also be visible on the URL where games are live and pass the Due Diligence requirements):

5.1.3 Game provider availability

The availability of game provider offered might change depending on the:

- Currency availability – depends on the game provider's list of supported currencies
- Territories restrictions – depends on the game provider's list of restricted territories, which can be changed at any time. The most updated list can be found on <https://blueoceangaming.com/additional-terms-and-conditions-gammixsts/>

5.1.4 Extra costs

- Jackpot games (jackpot contribution), game providers cover jackpot winnings, operators cover jackpot contribution and jackpot seed
- Evolution Fees – some Evolution tables have additional fees
- Betconstruct – some Betconstruct Blackjack tables and Branded Aurum games have additional fees
- Sportsbook Digitain – in case of separate instance monthly minimum of 5.000€ applies after 4th month onwards

5.2 PAYMENT TERMS

5.2.1 Set up fee payment

Set-up fee amount should be settled before providing client with production credentials.

5.2.2 Monthly Minimum

Monthly minimum depends on the Go-live date. If the invoice does not meet the monthly minimum required, it will be invoiced as per the offer.

5.2.3 Royalties payment

Provider shall prepare and submit each invoice related to monthly charges within 7 days following the end of each calendar month. The fixed fees and royalty fees are due to be paid by the customer 8 days after the invoice date.

5.2.4 No negative carryover

No negative carryover applies to each game provider separately, meaning that there will be no offset of positive and negative GGR between Games Providers, and no negative loss carryovers from month to month.
